Selection Panel

The selection panel will be comprised of members of the Cycling Ulster Track Commission and Cycling Ulster Youth Academy. The Panel may co-opt extra panel members as necessary. The team will be selected on a discretionary basis by the selection panel.

An individual may not form part of the selection panel where they have a conflict of interest. If there is a question over whether a conflict of interest exists then it should be referred to the Cycling Ulster Executive to decide upon. A conflict of interest may arise where a panel member is connected to the riders who are part of the selection pool for an event such as being a relation, a member of the same club or a coach. Both the Track Commission and Youth Academy should take into account the possibility of a conflict of interest when they are choosing their selection panel.

The panel may elect to take fewer than the maximum number of permitted riders for the event.

Selection Criteria

Riders will be scored based in accordance with the selection chart below and the highest scoring riders will be selected to represent CU for the event.

If a selected rider is unable to compete for any reason, substitute selections will be at the discretion of the selection panel.

Notes will be taken by selectors of how selection scores were reached for purposes of any appeal that may arise.

for the event by lodging an appeal to the School Games Team Manager (as outlined in the CU Selection Appeals Policy)
